A thoroughly relaxed and enjoyable, but challenging, shoot. A rolling start encouraging everyone to get going early. Choosing which course they wanted to shoot first, then gather a group and move off to enjoy the day. 20 targets big game scoring and 20 targets Woodsman scoring. A blend that suits the two 20 target courses we still have. Thanks to all involved, those who cooked for us, laid the courses for us and who shot the courses without complaint (almost !!). Looking forward to the next one already.
